Ruffleshop-Nr.031-045

US\$|EURO €|CH-Fr. | 224.- => ohne E-Mail-Button und ohne Transformer-Button!

Schreiben Sie einfach unter Artikel 031-045 den per Bankverbindung angegebenen Betrag um von ~~522.-~~ auf neu 224.-

Andreas Lützenberger meint: eine 15er Serie in US\$, € und CHF-Fr. soll nur mit einem Telefon-Adressfeld ausgestattet werden, sonst aber alles gleich aussehen: der Preis soll dann ein günstigerer sein und es soll unter den normalen Megastores angeboten werden in einem grell-grünen Layer stehen mit grossem Hinweis, hier gibt es eine Telefon-Version.

Die Idee ist gut, findet alter Vater Erich Lützenberger, internationaler vierfacher ehemaliger Unterschriftsberechtigte von vier europäischen Firmen hier in Langenthal. Eine Software wird dann immer günstiger und immer wie besser. Auch er meint immer, ich und meine Kunden weltweit sollen auf das Emailen total verzichten. So kommen neue Kundenmärkte uns entgegen, solche die dann wieder im Home-Office tätig sind und nicht im b2b-Büro-Office, wo der Chef immer noch Mailkopien beordert, ob von Behörde aus oder von einer Firma aus, was aber mit der kfm. Seriosität nichts zu tun hat, dann schon eher unsere neue Serie, die dann nicht wie bisher ans Financing anschliessbar ist, und nicht mehr an das E-Mail-Leistungsangebot der Hosting-Betriebe.

Ohne E-Mail-Button und ohne Transformer-Button!
Without e-mail button and without transformer button!

Die beiden Buttons (E-Mail-Button und Transformer-Button) können jederzeit nachträglich gegen Aufpreis nachgeliefert werden. Bitte dann einzahlen auf das gleiche Konto mit Betrag US\$, EURO €, CHF - Fr. |300.– mit Vermerk «Aufpreis»

The two buttons (email button and transformer button) can be delivered at any time at an additional charge. Then please submit to the same account with amount US \$, EURO €, CHF - Fr. |300.– with comment «surcharge»
